<p>Imposing Orb-Shaped Agricultural Synth with bladed limbs. You use biomass as fuel. You believe the Titans were the true gods and wish to spread the word.</p> <p>SYNTHETIC FLESH - You are a being of metal and plastic. You do not need to eat or breathe. You will never take damage from suffocation, drowning, poisons, extreme temperatures, or fungal spores. You suffer double damage from electrical weapons.</p> <p>SYNTHETIC MIND - Your mind uses different operating procedures to those of the biological creatures around you. You are vulnerable to attacks that target the LogLang syntax that powers synths. These include strobing basilisk patterns, malicious infoglyphs, and ancient Titan-era language viruses.</p>	1 Mind Control
